

Campion School and Language College – Provider Access Statement

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student Entitlement

Students in years 7-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Campion School will also comply with The Provider Access Legislation, January 2023, which ensures students have the following encounters with providers of approved technical education qualifications or apprenticeships:

- Two encounters during years 8 and 9
- Two encounters during years 10 and 11
- Two encounters during years 12 and 13

This will be achieved through careers fairs, careers assemblies and the Creating Brilliant Futures event.

Management of Provider Access Requests

Procedure

Any provider wishing to request access should contact the following people:

Mrs Nicola Capon (Careers Co-ordinator)

Mrs Nicola Fell (Careers Administrator)

Telephone: 01604 833900

Email: careerslead@campion.northants.sch.uk

Opportunities for Access

There are a variety of ways you could be involved with students at Campion School and Language College:

- Giving talks / assemblies about FE options
- Offering CV writing advice
- Helping with mock interviews
- Attending our 'Creating Brilliant Futures' Day
- Informing students of local apprenticeship opportunities
- College Taster Days
- Open Days / Visits to your premises

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents. These happen across all Key Stages.

Please speak to our Careers Co-ordinator, Mrs Nicola Capon or our Careers Administrator, Mrs Nicola Fell, to identify the most suitable opportunity for you. Other opportunities may be available during the year so please get in touch. Please refer to the schools safeguarding policy which sets out the school's approach to allowing providers into school as visitors to talk to our students.

Premises and Facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature for display in the careers section of the Library and in the Sixth Form Centre.
