**We are delighted to be in partnership with the students and staff at Campion School.**

Our aim, along with the School, is to provide our students with an exceptional catering experience. We plan exciting menus packed with health, variety, goodness and attitude. We also make our food look great and taste as good as it should.

Innovate has long been considered the most inventive caterer in schools and that's because we're very clear about our food. All our dishes are prepared every day using quality, fresh and seasonal ingredients that are responsibly sourced. As well as ensuring the food on the plate is healthy, we want our customers to understand the importance of eating the right foods and help them with their food and nutrition journey. Below is a taste of what's to come:

- **A huge selection of grab and go items** including baguettes, panini, burritos and salads to name a few, all now using our barcode system to help speed up the queues
- **A variety of healthy, tasty main meals prepared fresh every day** from carefully selected ingredients. The menu will follow a similar weekly pattern so our customers know what to expect; for example we always serve a Roast Dinner every Wednesday and a Curry every Thursday
- **Our 'V' range with many mouth watering vegetarian and vegan choices to choose from** including the V Burger, Falafel & Houmous Market Wrap and Vegan home bakes
- **A new salad bar bursting with homemade healthy salads** such as pomegranate quinoa, roasted sweet potato and rocket or chilli, orange and beetroot, pick a small or large pot and fill with salads of your choice
- **Theme days;** Chinese New Year, Food Safari: American, BBQ Beach Party, just to name a few
- **Design;** We are currently working with the school to redesign the Restaurant and 6<sup>th</sup> form Café along with adding a brand new Grab & Go service point. This will help queues move quickly while giving customers lots more choice.
