

A Level Entry Requirements – September 2025

In order to study A Levels, you will need a minimum of 6 GCSEs at grade 5 or above across a range of subjects including Maths and English or 5 GCSEs at grade 6 or above across a range of subjects including Maths and English.

Please note, if you wish to study 4 A Level courses, you need to have achieved Grade 8s and 9s in all GCSEs studied. (Further Mathematics requires a Grade 8).

In addition to the above, you need to meet the subject specific entry requirement to enrol on the course.
