

School Uniform

Sportswear International Ltd (SWI) is the supplier of Campion School uniform. You can order uniform direct from them 24 hours a day using their various ordering options (please see the link below for their order form). Please note when the school closes for the summer break there will only be the 'delivery to home' option available, until our return to school when the offer to collect from school will be made available once again.

The following items will also be available to order and pay via **ParentPay** to collect in school.

Ties: in addition to the SWI website, we also hold a stock in school.

If you have any queries relating to the ordering of uniform within school please contact the Finance Office on 01604 833903 or email All_Finance@campion.northants.sch.uk
