WELCOME TO HUBDATE

Created by your student leadership team

Welcome to our very first Hubdate!

We're excited to get started on all the exciting stuff we'll be seeing in the next few weeks, and what better season is there to look forward to than the buildup to the summer holidays?

While students from year 7 to 12 all soak in the sun and start making holiday plans with their friends, we've got you covered with updates on the World Cup, a look into the Sports day activities, games, and more!

Keep reading and you'll get a snapshot of the summer fun in preparation for a nice, long- and most importantly warm-break from lessons and early starts, and a celebration of all the hard work you've been putting in all year long.

PRIDE MONTH

WHAT WE TAKE FORWARD

Respect, inclusion and support beyond June.

BEYOND JUNE

Pride Month may have just passed, but its message matters all year round. It reminds us to respect identity, celebrate difference and help everyone feel safe, included and valued at school.

DID YOU KNOW?

Pride is both a celebration and a reminder of the people who challenged discrimination and campaigned for equality.

CAN YOU FIND THEM ALL?

WORLD CUP WATCH

The 2026 FIFA World Cup is now reaching its final stages, with the tournament building towards the final on Sunday 19 July. Spain have booked their place after beating France 2–0, while Argentina secured their spot with a dramatic 2–1 comeback win over England. England had taken the lead through Anthony Gordon, but late goals from Enzo Fernández and Lautaro Martínez brought their World Cup journey to an end at the semi-final stage. Although it was a disappointing finish, reaching the final four was still a huge achievement and gave fans plenty to be proud of.

The final will now see Spain face Argentina, with both teams chasing football’s biggest prize. The expanded 48-team format has made this World Cup feel bigger, more unpredictable and full of memorable moments.

SAINTS SUCCESS

Closer to home, Northampton Saints have given local rugby fans plenty to celebrate after beating Exeter Chiefs 26–17 to win the 2026 Prem Rugby title at Twickenham. Saints came from behind, with two late tries from George Hendy helping secure a dramatic victory. It was a brilliant achievement for the club and another proud sporting moment for Northampton.

WIMBLEDON WATCH

Wimbledon has delivered plenty of drama this summer. Jannik Sinner won his second Wimbledon title, while Linda Noskova claimed her first Grand Slam title in the women’s final. Novak Djokovic also made history earlier in the tournament with his 106th Wimbledon win, adding another memorable moment to SW19.

A summer of sport has given us huge finals, local champions and unforgettable performances.

SUMMER SORTED

Tips, tricks and ideas for making the most of the holidays.

RESET & RECHARGE

Summer is your chance to properly slow down after a busy year. Sleep, relax, see friends and give yourself time to switch off from school stress. Rest is part of the holiday too.

MAKE A BUCKET LIST

Plan a few things you actually want to do this summer. It could be a picnic, movie night, walk, baking day, sports, seeing friends or starting a new hobby. Small plans still count.

STAY CONNECTED

Before everyone gets busy, make some plans with friends. Even simple things like meeting at the park, going for food, playing football or having a film night can make the summer feel more fun.

HOMEWORK HACKS

Let's get the worst bit out of the way: homework. Don't leave it all for one stressful day. Try doing small chunks when you have the quiet time. Getting the hardest task done first can make the rest feel much easier.

LOOK AFTER YOURSELF

Warm weather can be fun, but only if you look after yourself. Drink water regularly, wear sun cream, find shade when you need it and take breaks if you're out in the heat for a long time.

READY FOR SEPTEMBER

Future you will thank you! Near the end of summer, sort your bag, uniform, stationery and sleep routine so the first week back feels less stressful.
