

6 November 2025

Dear Parents/Carers

We are continually seeking ways to inspire and inform our students about the wide range of career opportunities available to them, and we greatly value the support of our school community in achieving this goal.

As part of our ongoing careers programme, we are looking to expand the range of activities and experiences we offer. These include:

- Short career talks with Q&A sessions
- Assemblies focused on different industries or career journeys
- Workplace visits, job shadowing or work experience opportunities
- Participation in our Careers Fair
- Interactive workshops or skills-based sessions

If you, or someone you know, would be willing to contribute to any of these events—whether by sharing your professional experience, offering a visit to your workplace, or supporting a workshop—we would be delighted to hear from you. Your involvement can make a real difference in helping students explore future pathways and develop a clearer understanding of the world of work.

We would also like to invite any previous students of Campion to share their career journeys and insights with current students, offering a unique opportunity to bridge classroom learning with real-world experience. By discussing your professional path, challenges, and successes, you can inspire and guide students as they explore their own futures. Your stories provide invaluable perspective, helping them understand the diverse opportunities available and the skills needed to thrive.

Please feel free to contact me if you are interested or would like more information. We truly appreciate your time and support in helping us enrich our students' learning experiences.

Yours Sincerely

Mrs N Capon

Careers Lead
