

8<sup>th</sup> January 2025

Dear Parents and Carers

I am writing to update you regarding the current weather conditions and the most recent weather warning that has been issued.

At present, we are closely monitoring the situation and are in regular contact with relevant services. Our intention is to remain open wherever it is safe to do so, and we will always endeavour to keep the school operating as normal for our pupils.

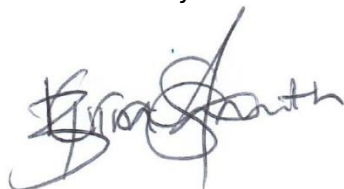

However, in the event that, despite our best efforts, the weather conditions mean that the school site is not safe to open, it may become necessary to close the school for safety reasons. Should this situation arise, parents and carers will be notified as soon as possible via email, and updates will also be posted on the school website and our official school Facebook page.

We will aim to give as much notice as possible if a closure is required.

We will also be liaising closely with bus and transport companies and will share any relevant updates with parents as soon as they become available.

Thank you for your understanding and continued support. Please continue to check your emails and our communication channels for further updates.

Yours sincerely

**Mrs K Bradley-Smith**  
**Principal**

**Principal:** Mrs Kim Bradley-Smith
