

25 February 2026

Dear Parent/Carer

Following feedback from both parents and students, we are arranging the purchase of CGP AQA revision guides for the Combined Science (Trilogy) and Separate Science GCSE courses. These guides are currently available to schools at a discounted rate.

CGP revision guide is the

“...perfect companion to Grade 9-1 AQA GCSE Combined Science. The entire course is explained clearly and concisely, with brilliant coverage of the required practicals, maths skills and Working Scientifically, all in GCP’s bold ‘no-nonsense’ style. Each page is rounded off with practice questions to help cement what students have learned, with answers at the back of the book.

QR codes throughout give quick and easy access to worked video solutions from our in-house experts, plus an unbeatable online Knowledge Retrieval quiz – designed to be played again and again to make all those facts stick...We’ve even thrown in a heap of info on “What to Expect in the Exams” available to view online.”

The cost of these resources are as follows (all excluding VAT):

Resource	Cost to you (£)	Cost for all 3 (triple only)	RRP (£)
CGP GCSE AQA combined revision guide	6.50	--	12.50
CGP GCSE AQA Biology/Chemistry/Physics revision guide	3.50	10.50	6.50

All items will be available to purchase via ParentPay, where you may select one or multiple guides as required. Once payment has been received, the revision guide(s) will be issued to your child.

If your child is currently in receipt of Pupil Premium funding, these revision resources will be provided to them at no cost.

Thank you for your continued support in helping our students prepare effectively for their examinations. If you have any questions, please do not hesitate to contact the school.

Yours sincerely

Mrs A Wiseman

Head of Science

Principal: Mrs Kim Bradley-Smith
