

3rd July 2026

Dear Parent/Carer,

Re: Allergy Information Update – Benedict's Law (Effective September)

As part of our ongoing commitment to safeguarding the health, safety, and wellbeing of all our students, we are writing to inform you of an important change in legislation.

From September, **Benedict's Law** will come into effect, introducing new requirements for schools regarding the identification and management of known allergies. To ensure we meet these requirements and maintain accurate medical records, we are asking all parents and carers to complete the enclosed **Allergy Information Form**.

Please complete the form in full, even if your child has **no known allergies**, and return it to the school by **24th July 2026**. This will enable us to keep our records up to date and ensure that appropriate arrangements are in place to support students with allergies.

[Student Allergy Information Form – Fill out form](#)

If your child's medical needs change at any point during the school year, we ask that you notify the school as soon as possible so that our records can be updated promptly.

We appreciate your cooperation in helping us provide a safe environment for all students. If you have any questions or require assistance in completing the form, please do not hesitate to contact me M.Brighty@Campionschool.org.uk.

Thank you for your continued support.

Yours faithfully,

Miss Melanie Brighty

Medical Co-ordinator

Principal: Mrs Kim Bradley-Smith
