Excused:

Our mantra is: 'Sick or fit, bring your kit.' All students will be expected to change and join in the lesson on some level. Students who are physically unable to participate in the practical aspect of the lesson must provide a parent/carer letter explaining the reason for their non-participation. The letter must be brought in by the student and given to their PE teacher. Students who are excused will be expected to take part in other aspects of the lesson where possible. This could include leading a warm-up, helping coach and improve students' performance, and umpiring or refereeing. It is essential that students remain part of the learning process and will be involved in all lessons regardless of their injury/illness. Exceptions for changing such as those in a cast will be made. We have a gender-neutral changing facility for students who wish to use a private changing facility.

No Kit:

Forgetting a kit is not an excuse for students to be excused from lessons. Kit will be provided for these students and they will be expected to participate. We have a strict one-use policy and all spare kit is washed after use. If students forget their kit on more than one occasion, they will be issued with the following:

1st kit mark = Warning red point

2nd kit mark = Break detention

3rd kit mark = After school detention

If the problem continues the matter will be discussed with heads of year and senior management and, if necessary, parents will be invited into school to discuss and resolve the matter.

Non-conformity:

Students who do not bring PE kit and refuse to wear school kit will be dealt with in accordance with the school's behaviour policy. They will be expected to change and wear the school's PE uniform.

All lessons will aim to go ahead in their desired location so students will therefore be outside in cold and wet weather. It is essential students plan ahead for this.

Although we do have a policy, we wish to work with students to overcome all barriers to sport, therefore please contact the PE team with any queries or issues.

Yours sincerely
