Dear Parent/Carer

Duke of Edinburgh – Bronze Award

I'm pleased to let you know that we are able to offer the Duke of Edinburgh's (DofE) award to students in years 9, 10 and 12. The DofE is a great chance for your child to broaden their horizons, discover new interests and talents, have fun with friends, develop essential skills for their future and achieve an internationally renowned Award.

About the Duke of Edinburgh Award

The DofE Award is non-competitive and open to all young people – it's about setting personal challenges and pushing personal boundaries. There are three levels within the DofE programme which, when successfully completed, lead to a Bronze (Y9), Silver (Y10) or Gold (6th form) Award.

Through their DofE, students will make friends and memories and develop traits like confidence, resilience and self-esteem, which can benefit their mental fortitude throughout their lives and careers. They will gain skills and attributes for work and life, like problem-solving, team-working and self-motivation – and they'll achieve an Award that's recognised by top employers and can help them stand out when applying for University or jobs.

To achieve their award, participants must complete four sections: Skills, Volunteering, Physical and their Expedition. Every young person's DofE programme is personal to them – they can choose what they'd like to do for their Skills, Volunteering and Physical sections, and most activities can count. We will provide guidance and support, and students can either choose to continue an activity they already do or discover something completely new. Activity ideas can be found using the following link -

<https://www.dofe.org/do/ideas/>

Activities for each section take a minimum of one hour a week over a set period of time, so they can fit around studying, hobbies and social lives. For more details about programmes and timescales please visit <https://www.dofe.org/do>

About the expedition

The Expedition section involves your child working as part of a small team to plan their expedition's aim and do some training to make sure they are fully prepared.

- Bronze award students will be spending two days and one night in the countryside.
- Silver, this will be three days and two nights.
- Gold this will be 4 days and 3 nights. Training and practice expeditions will be included.

Award	Bronze (Year 9+)
Timescale	6 months to complete. 3 months in each section (Physical, Skill and Volunteering) and then an additional 3 months on one section of your choice.
Expedition Length	2 days 1 night

For students partaking in the Bronze practice days and Assessed Expedition, it is the responsibility of the parent/ carer to get their child to the start location and collect from the end location.

eDofE and the DofE App

Participants can create their DofE programme and record their progress using eDofE, the DofE's digital system, available online at eDofE.org and through the DofE app- downloadable for free from Google Play and the App store

Remote Supervision

In order for students to achieve all the aims of the DofE, they need to be self-sufficient, completing their Expedition without any outside assistance. This means during their practice and qualifying Expedition, groups will need to be supervised remotely. Our Expedition provider, River and Ridge, have highly experienced and specialised staff who will teach your child all the necessary skills prior to their expedition and will remotely supervise students on Expedition, meeting groups at checkpoints and will be on call to offer advice and sort any issues.

How to Register for the Award

Prior to registering for the award, students need to ensure they have begun to consider a Skill, Physical and volunteering opportunity and have collated the below information with regards to this. The link below may help your child decide on the activities they wish to do with the DofE approved activity list. <https://www.dofe.org/do/ideas/>. The Bitesize planner will help with the planning of the activities.

- 1) Name of activity
- 2) Location of activity
- 3) Assessors name and role (e.g. Netball coach)
- 4) Proposed start date
- 5) Timescale of activity.

To sign up your child to the award please complete the following steps:

- 1) Complete the digital enrolment form by clicking the link below
