Dear Parents/ Carers

### Year 11 Science Mock Exams

As you may be aware, mock examinations for all subjects will be taking place during the week commencing **Monday 3rd November 2024**. This letter outlines the Science provision and how you can support your child with their preparation.

### Revision Information

Your child is following either the **AQA GCSE Biology, Chemistry and Physics (Triple Science)** course or the **AQA Combined Science: Trilogy** course.

In these mock examinations, students will sit **Paper 1** in each science subject (as they did at the end of Year 10). **Paper 2** will be assessed in the next round of mock exams.

Below is a summary of the topics being assessed and useful revision resources:
