

22 September 2025

Dear Parents/ Carers,

We're excited to inform you that from **Monday 22nd September 2025**, your child will be using Sparx Science to complete weekly homework.

Your child's **homework will be set on a Monday at 9:00am** and due in on the following **Monday by 9:00am every week**.

We know that your child's success in Science is important to you, and therefore, we are sending you this letter to explain how Sparx Science works and how you can support your child in completing their homework.

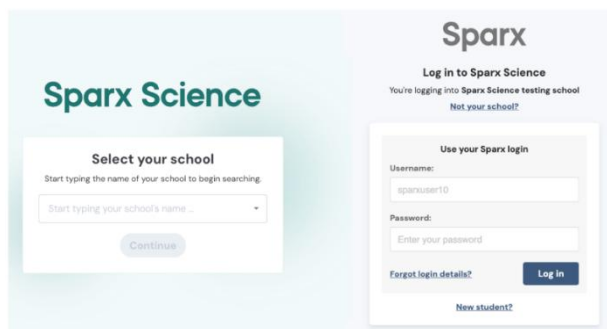

What is Sparx Science?

- Sparx Science provides a personalised weekly homework with questions from previous topics to help reinforce their learning
- Sparx Science promotes deep thinking about scientific knowledge to help retention and recall, as well as providing tailored support to help every student answer correctly
- Sometimes Science questions may challenge students, however where this is the case Sparx provides unique support to fill knowledge gaps or guide them through application of scientific ideas.

How do they log in?

To login students should:

1. Visit <https://sparxscience.com> and click Log in
2. Choose their school
3. Use their Sparx account to log in, either:
 - a) using their school Microsoft or Google account (if Single Sign On is enabled) or
 - b) using the same username and password that they use for Sparx Maths.

What devices are supported?

- Your child can access Sparx Science on any device that connects to the internet with a web browser.

How can I support my child with their homework?

- Sparx Science adapts to each student's ability level, so it's important that you **don't** help too much, e.g. by answering questions for them. This can lead to Sparx giving homework that is too long or hard in future.

Interim Principal: Mrs Kim Bradley-Smith

Campion School is part of United Learning: United Learning comprises: United Learning Ltd (Registered in England No: 00018582. Charity No. 313999) UCST (Registered in England No: 2780748. Charity No. 1016538) and ULT (Registered in England No. 4439859. An Exempt Charity). Companies limited by guarantee. Registered address: United Learning, Worldwide House, Thorpe Wood, Peterborough, PE3 6SB.

- We recommend letting students answer each question themselves and you can give help if they are stuck with the support and follow-up questions.
- You can help to provide a quiet space for your child to focus on their homework each week.
- You are also able to keep track of the homework your child is doing by clicking through the link to the Parent Portal in your Sparx Learning weekly homework email.

Please let your child's science teacher know if you have any questions or queries about Sparx Science homework.

Yours sincerely

Mrs Ireland

Second in Science
