CREATING BRILLIANT FUTURES

2nd November 2026

Dear Parents and Carers

At Campion School we are committed to creating brilliant futures for every student. Working in partnership with our parents and carers is an important part of achieving this, and I firmly believe that listening to your views is essential to ensuring we continue to improve.

I am therefore inviting you to complete our latest parent and carer survey, delivered in partnership with Edurio. **Your feedback genuinely matters to me.** As Principal, I want to understand what we are doing well, where we could do better and how we can strengthen our partnership with you. Your honest feedback will help inform our priorities and ensure that the decisions we make continue to focus on providing the very best educational experience for our students.

Complete the Parent and Carer Survey

The survey should take no more than 15 minutes to complete and must be completed in one sitting. It will remain open until **1 December 2026**. Responses are anonymous and confidential, with findings analysed collectively to help us identify key themes and areas for development.

As a thank you for taking the time to share your views, parents and carers completing the survey will have the option to opt in to a prize draw for the chance to win a £25 supermarket voucher.

I recognise that taking the time to complete a survey is an additional commitment, and I am extremely grateful to everyone who contributes. Every response helps me build a clearer picture of your experiences and perspectives, and I would strongly encourage you to take this opportunity to have your voice heard.

Thank you for your continued support of Campion School and for the part you play in our community. I look forward to listening to your feedback and using it to help shape our next steps.

Yours sincerely

Mrs Kim Bradley-Smith
