Dear Parents/Carers

Sixth Form Transport – September 2026

The following information applies to students who are remaining in sixth form for September 2026.

Please be aware that students who wish to continue to use school buses must re-apply to West Northamptonshire Council (WNC). A fee is payable to WNC to use this service. The link below gives further information on this service and potential cost increases.

West Northamptonshire Council will guarantee a seat on WNC school transport for a student where an application is received on or before **31st May 2026**. Guaranteed seats will not be available for applications received after that time, and will then be subject to availability, which will only be considered once all statutory seats have been allocated.

Please note that any applications after this time may not be processed until October 2026 half-term and parents will be responsible for taking their child to and from school until they have received confirmation that a seat is available.

The link below is to apply for a Post-16 bus pass:

Please be aware that the deadline for new applications is Sunday 31st May 2026.

Students that already use the Duston/East/West Hunsbury buses can disregard this message. Please pay for the school bus as normal on ParentPay when this becomes available during July.

Yours sincerely
