

19th December 2025

Dear Parents and Carers

As we come to the end of the term, I would like to take this opportunity to thank you for your continued support and partnership. It has been a successful and positive start to the academic year, and this would not be possible without the encouragement and commitment you provide to your children and to our school community.

We would also like to thank families for supporting their children to be present and prepared for school each day. As we prepare for the new term, we are keen to continue working in close partnership with families and would like to highlight a few key priorities that help ensure all students are able to be successful.

Attendance

Excellent attendance is vital to academic success. We ask that students have no more than one day off per half term, or no more than six days across the school year. We are delighted to be able to celebrate that the majority of our school community are maintaining this excellent level of attendance. In particular, we would like to congratulate the students who have not missed a single day of school so far this academic year – a fantastic achievement.

Uniform

Wearing the correct uniform is an important part of being prepared for learning and demonstrating a sense of belonging at Campion. While we do have a limited supply of loan uniform for the occasional one-off situation where an item is forgotten or misplaced, we ask families to ensure students arrive each day in full school uniform.

The full uniform policy is available on our website, and we have recently opened our nearly new uniform store. Families are encouraged to consider donating any pre-loved uniform items that their child no longer needs or uses.

We ask for your support with the following uniform expectations:

- Students must wear school shoes; trainers, including styles such as Nike Air Forces, are not appropriate.
- Students must wear trousers or an appropriate skirt; leggings are not permitted.
- Students may wear one pair of stud earrings only. No other visible jewellery is permitted and will be confiscated without warning.

Mobile Phones and Social Media

Students are permitted to bring mobile phones to school; however, phones must be switched off and kept out of sight during the school day. Any phone seen or heard by staff will be confiscated and may be collected from main reception at the end of the day. Families are also

reminded that many social media apps have age restrictions, and we strongly encourage appropriate monitoring and supervision of children's phone use.

Rewards and Recognitions

Looking ahead, we are pleased to inform you that our next major Campion rewards event will take place at the end of the upcoming term, just before the Easter holidays. All students who demonstrate good behaviour and good attendance during the term will be invited to celebrate. Every student has the opportunity to attend, as each new term offers a fresh start for all.

Please note that our termly rewards events focus solely on student data from the current term. You can monitor your child's behaviour and attendance through Class Charts by using the filter option to view specific time frames.

Thank you once again for your continued support. We look forward to working closely with you in the new term and building on the strong foundations we have established together.

On behalf of everyone at Campion, I would like to wish all our students and their families a wonderful Christmas break. We hope you enjoy a restful and joyful holiday together, and we wish you a very happy, healthy, and successful New Year.

Yours sincerely

Mrs K Bradley-Smith
Principal
