

26<sup>th</sup> September 2025

Dear Parents / Carers

### **Class Charts and Homework**

Please be aware that from Monday 29<sup>th</sup> September homework will be set via class charts. As such, it is crucial that all students and their parents/carers have logged into class charts and are able to view the homework that has been set.

The exception to this is for our 6<sup>th</sup> formers who will continue to use google classroom to access their homework.

### **Frequency of Homework by Subject and Key Stage**

#### **Key Stage 3**

All students will be set 8-10 pieces of home learning every Monday. This homework is due the following Monday. Eight pieces of home learning weekly will be set in English, Maths, Science, Geography, History, MFL, Computer Science and Sparx reader. Additional homework will be set fortnightly in Religious Studies and Creative (ADTV).

#### **Key Stage 4**

All students in key stage 4 will be set home learning on a Monday from all examination courses and work will be due the following Monday. Year 11 setting of home learning may be adapted during exam weeks to consider the demands of preparing for mocks.

#### **Key Stage 5**

All key stage 5 students are expected to complete 6-8 hours of home learning per subject per week.

### **Rewards for Homework Completion**

Students who complete homework on time and to an excellent standard will be rewarded with green points on class charts. These points will support them in unlocking class chart badges and will also help them build points towards other prize-winning opportunities.

### **Sanctions for Lack of Homework Completion**

With the support of parents / carers we hope that all of our students will complete their work on time and to a high standard. However, a lack of homework completion will be logged by teachers on class charts. Two 'no homework' red points on class charts will trigger a centralised break time detention. Any patterns of non-completion will be monitored to allow further intervention.
