

9th September 2026

Dear Parent/Carer,

I am writing to inform you that the UCAS Discovery event, which was unfortunately cancelled in June, has now been rearranged and will take place on Thursday 24 September 2026 at Stadium MK, Milton Keynes.

Opportunities like this are a vital part of students' preparation for life after school. The transition from school into higher education, apprenticeships, or employment is a significant step, and it is essential that students have access to accurate information, guidance, and real-life insights. This event will expose students to a wide range of future pathways in one place, helping to raise aspirations, broaden horizons, and build confidence when considering their next steps.

During the visit, students will have the opportunity to:

- Engage directly with universities to explore courses, entry requirements, and application processes
- Gain a real understanding of campus life and student experiences
- Speak with employers and apprenticeship providers
- Gather valuable information to support informed decision-making about their post-18 pathways

Visit Details:

- Students should attend school **at the normal time and in usual school attire**
- We will depart from Campion at **12.30pm**
- We expect to return to school at approximately **3.45pm** (traffic dependent). Therefore If your child usually travels home by school bus, we kindly ask that you make alternative arrangements for their collection.

Please note that there will be opportunities to purchase light snacks at the venue. Should students wish to make any purchases, they are advised to bring an appropriate form of payment with them as the venue is cashless.

We kindly ask that you complete the consent form via the link below to confirm that you give permission for your child to attend this trip.

This is an extremely worthwhile experience, and we strongly encourage all students to take advantage of this opportunity.

Principal: Mrs Kim Bradley-Smith
