4th December 2017

Dear Parents/ Carers

Re: Willow 8 Sponsored Silence

Willow 8 have been asked to suggest a charity that they would like to raise funds for. Following a moving presentation from one of the tutor groups it was decided that we would raise money for Diabetes UK.

Therefore, we will be holding a `Sponsored Silence` during the school day on Thursday 14th December 2017. Students will be given whiteboards and marker pens so they can communicate; teachers will be also be informed and their learning will not be affected.

Your child has indicated that they would like to take an active part in supporting this worthy cause and have collected a sponsorship form. Should you decide that you would prefer your child not take part please send me an email to m.langthorne@campion.northants.sch.uk.

Thank you for your support and hopefully we will raise some funds to support this great cause.

Yours sincerely

M Langthorne
