Dear Parent/Carer,

It has been brought to our attention that an app called "YUBO or YELLOW" may have been downloaded by some of our students.

This app is advertised as 'A dating app for teenagers who wish to make new friends', however the police have been concerned about this app for some time as it is one where some adults are using with the intention of causing harm to children. I attach a link from a newspaper article relating to this app, and advise you to discuss this with your child.

Please do not hesitate to contact me should you require any further information regarding this

Yours sincerely,
