27 April 2018

Dear Parent/Carer

Please find attached a copy of the Year 11 Revision Timetable which will be implemented once the formal written exams begin on Monday 14 May 2018. This clearly outlines the additional support we are building into the curriculum to enable students' preparation for their forthcoming exams. The normal academic timetable will run in conjunction with this. This therefore means that students should attend all lessons as usual after 14 May 2018 unless they are attending a formal examination or they are requested for a revision session on the attached 'timetable'.

Your support over the coming weeks is essential in ensuring that our approach is being consistently met by all students. We ask that you support our request for consistent attendance across this period. We also ask that you stress the need for students to attend all lessons, revision sessions and all examinations during this period. Our expectations regarding behaviour and attitude during this time will not change and we hope that you will support us in ensuring that students continue to act in a respectful and focused fashion.

Thank you for all you have done to support us as a school over the last few weeks and months in preparing students to achieve their best. We now approach the most critical stage where all of this good work and preparation will be rewarded.

If you have any further questions regarding Campion School's approach please feel free to contact me in school.

Yours sincerely

Mr McGeown
