

24th May 2018

Dear Parent/Carer

Your son/daughter's progress report is now accessible via the online reporting system, Progresso. The link for this service can be found at the bottom of the Campion School's homepage <http://www.campion.northants.sch.uk>

This progress report contains target grades for the end of Key Stage 4 and Year 10. The attainment level is an indication at what level your son/daughter is currently working at. This is largely based on students' performance in their recent Year 10 exams. There are comments on the report on behaviour, effort and homework.

If you have concerns regarding progress, please contact the subject teacher directly. If you have more general concerns please contact the Form tutor in the first instance or Mrs McKenna, Head of Year. Mrs Langthorne, will now be taking on the role of Achievement Lead for Year 10 and will continue this into Year 11. We will be analysing achievement very carefully and putting into place necessary interventions now and for the start of Year 11, where we think there are particular issues for students.

Thank you for your continued support with your son/daughter's academic progress at Campion School.

Yours faithfully

Isobel Ashmead
Assistant Headteacher
