Headteacher: Mrs Claire Whitmore

25th June 2018

Dear Parents and Carers,

We write to inform you that Campion will be closed to students on 20th July 2018.

The reason for this is the completion of our new classrooms in F block. You may recall that we received the funding to add a further four classrooms to F block. These new rooms will be opening to staff and students when we return in September and will enable us to bring the English team together in one building. However, this move impacts on other subject teams as we bring them together too; indeed, after the summer break only two faculties will be returning to their same rooms (Design Technology and Science). In every other faculty there will be room changes. The amount of stock and equipment to be moved from teaching rooms is vast, without considering the move of items from offices and stock cupboards.

Given the volume of change and room moves, you will appreciate that the more moves which can occur before the new school year starts the least disruption this will cause for our students and their learning in September.

We recognise this is a change to our published term dates and therefore wanted to give you early notice of our decision. Students should attend school until 3.05pm on Thursday 19th July as usual. If you are unable to arrange child care for 20th July, there will be a supervised space provided in school for your child. Should you require this facility, you must let us know by Monday 2nd July (please email csoffice@campion.northants.sch.uk).

The full opening of F Block will bring together Faculty teams in a way that our buildings have not made possible until now. Your support and understanding as Campion staff move into their new teaching areas is appreciated.

Yours sincerely

Claire Whitmore
Headteacher

Peter Burrell
Chair of Governors
