Dear Parents/ Carer,

As students in Year 11 reach the end of their studies and we approach the formal exam period I felt it would be useful to contact you in the hope that you would provide the school with useful feedback to aid our continuing development. Our Year 11's have made good progress over the last two years of their GCSE studies and are still very much 'on track' to success. We would hope that over the coming week's you could provide us with positive feedback that focuses on where we have supported this achievement and constructive guidance on where we could still make further improvements.

The Ofsted website has an area for parent views and we would be grateful if you could share yours via this format. All parents will get a reminder of the site when we get the Ofsted call, but we wanted to give you prior notice. This information is included as evidence for the report.

In order to register your views through their questionnaire, please follow the link below. You do have to register on the site but the login details are held securely by them.

<https://parentview.ofsted.gov.uk/>

If you have any questions or queries please do not hesitate to contact me.

Thanks in advance for your support.

Yours sincerely

Mr McGeown
Assistant Head – KS4
