

24th August 2020

Dear Parent/Carer

Ref: September re-opening update

Following further updates and guidance we have revised our re-opening plans for students.

- Students will now be taught in year group bubbles at all times.
- Each year group have been allocated a zone within the school zone:

All arrangements for our students' staggered return to school remain. Please refer to the year group welcome back letter sent on 7th July 2020. Students will be greeted by their staff year team on their first day back and escorted to their zones.

The attached student information document has been updated to reflect these changes. If you have further questions you can email us at csoffice@campion.northants.sch.uk

Once again I want to thank you for your patience and support over the last few months. It has been an extremely challenging period for everyone in our community. I hope you have had a fantastic, stress-free summer. I look forward to welcoming your child back to our school in September.

Yours sincerely

Ms P Hammond
Headteacher
