REF: Ski Trip 2022

Behaviour Contract

Dear Parent/Guardian,

The Ski Trip is a privilege that few students have the opportunity to experience. In the interest of health & safety the team of staff will only take those students who show a positive attitude, have a good attendance at school and demonstrate characteristics that will serve to make it an enjoyable experience for everyone.

We will be implementing a 5-strike policy for all students allocated a place. Below are examples that would result in a strike. Please note these are examples only and this list is not exhaustive.

- Poor attendance
- Aggressive towards others
- Repeated non-completion of work
- Excessive number of negative behaviour points
- Any internal or external exclusions
- Any isolations due to behaviour
- Rudeness towards members of staff

Any misbehaviour whilst we are away will be dealt with in accordance with school policy. **There is to be no use of drugs (including smoking) or alcohol and any posting on social media should be carefully considered. Students are NOT permitted in each other's rooms but must instead use the designated social areas within the hotel.** In extreme circumstances we reserve the right to arrange transport home for your Child.

If your Child receives 5 strikes before our departure for Austria they will be removed from the trip and if a reserve is available they will take their place. In this scenario you would lose your deposit. If no reserve is available you would forgo any monies paid up to that point.

Parent/Carer & Student, please complete the online reply form by scanning the QR code below. Confirmation of understanding of this behaviour policy is confirmed in this response. A deposit of £150, payable via ParentPay is required prior to the 8th October to confirm your Child's place on the trip

Best Regards
