Dear Parents and Carers

Modern Foreign Language preference for Year 9

In Year 7, as you may remember, we asked students and parents to express an interest for two languages that they have studied in year 8. In order to improve the level of achievement in year 9 most students will study one language. We would ask you to express a preference for this language using the google form linked below.

We are considering the possibility of able linguists being able to continue with their current two languages if they have the ability to do so, with less time per language. This should be considered if there is a desire to continue to languages in KS4. This opportunity will also be dependent on the numbers opting for particular languages, linked to staffing. If this is of interest please tick the appropriate box on the form and we will consider your child's suitability for this pathway.

We would be grateful if the form could be completed by 3pm on Friday 26th May.

If you have any queries please contact Mrs Beswick, Head of Faculty or myself.

Yours sincerely

Ms I Ashmead
Assistant Headteacher
