Lessons this fortnight

This fortnight in religious studies we have been revising key topics from year 9 in preparation for the mock exams. This has included creation, salvation and worship.

Mock exams

The mock exam in November will cover the following areas. These should be prioritised for revision:

- Christian beliefs
- Christian practices
- Muslims beliefs and
- Muslim practices

Revision tip

BBC bitesize has tons of great videos and resources for students to access and use for revision. The following link will take you to the AQA GCSE religious studies materials <https://www.bbc.co.uk/bitesize/examspecs/zjgx47h>

Religious Studies homework will commence next week for year 11's. This will take the form of fortnightly quizzes which the students are familiar with already and will be set on google classroom.

Celebrating success

Achievement points are always up for grabs for effort in lessons. In addition, for year 11 students the RS department are offering achievement points for completed homework and attendance on the online revision sessions. Each point = 1 entry in the end of term prize draw.

Live revision sessions

Starting Tuesday 19th September students will be able to access live revision sessions on their home devices. These will focus on key areas for revision.
