

19th September 2023

Dear Parent/Carer

Autumn Term 1 – English, Maths and Science Session 6 Revision

Thank you for your support in ensuring that our Year 11 students have returned purposefully to school following their Summer break. This is an important year and we have already explained to students our determination to ensure that they are supported to achieve their best when they sit their final examinations in June 2024.

We have much work to do before then and our first big set of assessments will be the **Autumn Term Mock Examinations which take place between the 6th and 17th November 2023.** Our committed team of teachers are working hard to ensure that students are delivered the very best quality of lessons.

Alongside this our dedicated teams in English, Maths and Science will be offering additional exam preparation sessions after school **on Monday, Tuesday and Thursday each week** in the lead up to the Mock Examinations. These will take place between 3.15 and 4.15pm.

It is essential that students take advantage of these opportunities and where subjects have specified that students are required to attend we would appreciate your support in enabling students to do so. All remaining subjects will provide revision materials for students on a weekly basis, dropped into their subject Google Classrooms every Monday.

Please also be aware that we have a **Parent Information Evening on Wednesday 4th October 2023** where we will be outlining our plans for this academic year and providing guidance and support for parents in the lead up to the Mock Examinations. I really would welcome your attendance and support.

Your sincerely

Mr M McGeown
Assistant Headteacher – Raising Standards (Key Stage 4)

Headteacher: Ms Patricia Hammond
