Dear Parents and Carers

### **Change of Information Systems**

In line with other United Learning schools we are changing our Information System from SIMS to a provider called Arbor. This will be rolled out in January and will be the system we use to contact you regarding attendance and behaviour and, moving forward, assessment. This is used by over 8000 schools nationally and has more functionality than SIMS.

We will contact you on or before 8<sup>th</sup> January with log in details. We will monitor the SIMS system for a few weeks but once you have your login details for Arbor, our communication will be coming to you via this system.

From feedback from other schools and what we have seen so far, we believe this system will improve the ease of communication. Our email addresses remain unchanged so please do not hesitate to contact us. We will be in touch again early into term with the Arbor details.

Yours sincerely

**Dr Isobel Ashmead**

**Headteacher:** Ms Patricia Hammond
