

21<sup>st</sup> March 2017

Dear Parent/Carer

Your son/daughter's full progress report is now accessible via the online reporting system. The link for this service can be found at the bottom of the Campion School's homepage <http://www.campion.northants.sch.uk> under useful links Progresso log in. This is a full report and therefore will look different to the usual format. To view the report click on the report tab on the left hand side which will enable you to view it as a pdf.

This report contains target grades for the end of Key Stage 4. You will also see an end of year target. The attainment level is an indication at what level your son/daughter is currently working at.

There is comment on the report of the progress your child is making and areas for improvement. We are hopeful that these reports are more informative than the progress checks we normally send. Our aim is to produce one full report per year. Where a teacher has been absent for a prolonged period of time and we have been unable to comment, the report will indicate this is the case and one of the administration team's names will appear on the report.

Your son/daughter will be discussing their report with their form tutor and/or learning mentor to ensure that in any subjects for which they are in danger of not reaching their target, they understand what actions they need to take to improve. Parents' evening is on 29<sup>th</sup> March. Students should be making appointments this week. It is our intention to confirm option choices shortly. We are in discussions with some students finalising choices.

Thank you for your continued support with your son/daughter's academic progress at Campion School.

Yours faithfully

Isobel Ashmead  
Assistant Headteacher
